

Allie Percoco serves as Brokerage Coordinator for the Medical-Academic team at the Newmark Knight Frank Boston office. Allie focuses on leasing and capital markets providing a range of client services on an agency and tenant representation basis as well as sales execution. She works closely with Boston Children's Hospital, Boston Medical Center, South Shore Health System, New England Baptist Hospital, Samuels & Associates, J.P. Morgan and Equity Commonwealth. Prior to joining NKF full time, Allie interned at Colliers and CBRE.

Allie graduated from Newton Country Day School and received her BS in Finance from the Farmer School of Business at Miami of Ohio University. She is passionate about women in business and is a 4-time Equestrian World Champion.
